

“Legacy, to me, means leaving a lasting impression that benefits future students. When I think back on my own Williams experience, I remember the people—especially those I met through my involvement in music and theater. I have always had the greatest regard for Williams and the College’s commitment to provide financial aid to all students in need, I am glad to know my CGA will allow future non-traditional students to access to a Williams education.”

Charitable Gift Annuity

Receive guaranteed fixed payments for life

A Charitable Gift Annuity (“CGA”) is a contract between you and Williams; the college promises to make guaranteed fixed annual payments (partially tax free) for life to one or two beneficiaries in exchange for a gift of cash or securities. You are eligible to take an immediate federal income tax charitable deduction in the year you make your gift, and you will receive gift credit for the full amount of your CGA. You can choose to receive payments immediately or to defer payments until a future date to receive a higher annuity rate. Upon the last of the beneficiaries to pass away, the balance of the account will support your designated gift purpose.
